All letters for publication should be written or side of the paper only.

"Y. Z."-Declined with thanks.

Hongsong, Octoner 18th, 1877.

WE thought that the little difficulty so long pentling between Spain and China had been case; thereis still some difference existing beship Soverena and its crow has not yet been sent in, so the stready long list will probably be finally adjusted. The Chinese Government i further anymented before the sessions are closed has agreed to pay thirteen thousand dollars Government is not inclined to concede. On this point, the Tokio Times of the 29th ultimo the adjustment he may lose all. Recent of the Chinese. The idea of their yielding ment in home value is about to take place. unything to Spain is somewhat inexplicable, since their feelings are all against doing so, and they have an important Spanish possession almost within their grasp, to do whatparticular game is in their own hands."

please with at any moment" will be highly munsing to our Spanish friends. Spanish naval and military force out the Philippines may not be very formid- pital, on the body of Asan, who came by her sales, however, the losses on common to medium any loss? I will have nothing to do with it; able, but it is quite sufficient, should imagine, to repal any attempt by No. 42, Post-street, fee breach of Brothel Or. the Chinese at invasion. The Celestial navy dinance. The deceased fell from the roof of No. the present condition of the market has the effect contrary in a letter written from San France. spectable, comparatively speaking, but it has C. H. Bhilim, and R. F. Smith were the jury- factory condition of the market may be looked | never yet been tried, and we uttorly refuse to men. Dr. Wharry said the body of the deceased for Complaints are however made, apparently to work a little too formally with Ng Cheong. believe that the Chinese could carry out offensive operations against any European he found she had fractured her right arm, her orders from this side. However this may be, you like I will pay it to you on account of your Power with the faintest hope of success. Spain, though nothing like the Power she was from the shock of these injuries. Mr. Ruswas in former days, is still possessed of sell remarked that he thought if the jurymon war if necessary. She is now at peace at and accordingly they went. Inspector Lee. home, and is undoubtedly in a position to who was duly cantioned by the coroner, urge a satisfactory settlement of her claims and told that he need not answer any quesupour the Chinese Government. This will, liked, said he was an Inspector of Brothels, we trust, be accomplished in an amicable and that there was a standing order to put an end to the present cipal has been described over and over again.

THE province of Folkien has been singularly open space, eight and half foot by five and half unfortunate of late years. Its coast has if the moon was shiping as he was in a hurry and suffered severely from typhoons and tempests, and nor notice. The operture is used as a simple and the interior has been laid waste by heavy lole or chimney from all the kitchens and floods. The city of Foochow was not very woman from the roof, who ran down into the long since partially destroyed by fire. The street and was stopped by P.C. 290 who took her latest disaster recorded was the occurrence in charge. The people at No. 44 told him some needed. The Prefect of Hinghna has sent an official with a small sum of money to me adjourned until to-day. vestigate into and relieve the needs of the villagers, but it is very doubtful whether the help afforded will do much towards relieving must come to the rescue or the people will be unable to resume their avocations, for the -lightermen have lost their bouts (their whole stock-in-trade), the farmers their crops, and many of the remaining population their means of employment, while numbers are homeless and in a state of baggary. When a calamity of this sort comes beauthe Chineso they are quickly reduced to extremity relieved crows back to England.

EXTRACTS. "EVER, BELIEVE ME, AFFECTIONATELY Ever believe you true? Dear friend; Your words so precious are that I Can but repeat them o'er and o'er. And kiss the paper where they lie. How shall I thank you for this pledge; This sweet assurance, which destroys The doubt that you my love repaid. And changes all my fears to joya! Ever believe you true ! I will Thold you to this written gage! This shall console me, now you're gone; Still next my hoart I'll bear the page ; Be day and night, where er I go, -It shall my prized companion bo; And if a thought would gainst you rise, This from all blame shall set you free. Ab, need I say, believe me true?" You know how tender, yot how strong, This heart's emotions are, how half Of all its throbs to you belong, How fair 'twould hurst its prison-walls To nestling beat against your own : How joyons 'twas when you were near, How sadly yearning now, alone.

THE CONCERTINA.

Ay, till the weary life is done, ...

Let's not forget the by gone days

Still let thy knowledge of my love

The faith in human ind ranew :

-Chambers's Journale

Let that great love still for me plead,

And, to the last, bolleve mp true!

Though we again may never meet,

That a like a dream passed, swift and sweet

I had the honour, as a very young man Attwood nor I had before heard. Had the Swedish anything but Russian. thing on which Regordi was about to play been a salt-box, or a marrowbone, no one who knew him could have awaited his appearance in-law's country château, a summer residence without pleasure. He appeared, and in a few in the lake district of Ostaschkoi, near Tver by two of the dismounted troopers. moments captivated althourers—among thom on the Upper Volga. The Count's estates eminently my illustrious neighbour. His lay chiefly in that neighbourhood, and he had captivity, however, was not of long duration; lately been appointed, by one of those abrupt as the following running commentary which. transitious from one service to another, which though addressed to me, was rather, I take are common under the Czar's rule, governor it a soliloguy than a communication, will of the province. show. After a few bars (Attwood log.) "This But what chance, M. Vassili, brings you is exquisite." After a few more, "This well here?" Lasked, when we had shaken hands revolutionize the orchestra. "What can is I heard of you last as in Rome." you want with two clarionets when you can Here to day, there to morrow,"answered have this?" . This Vassili, hirily. " Phave been in Asia lately emeaning the composition in progress) is shall be at Wilna to-morrow, and in St. rather long." Presently, "This (meaning Potersburg next week. I serve a master who the instrument in use) is rather monotonous." has dealings in far-away places." Later, "This (composition) is very long." You mean the Emperor?" I enquired, Later still. "This (instrument) certainly and the Russian nodded with a look of goodwants relief." And soon after, but before humoured mystery. At this moment up the end of the first movement, "I'm sick of came a porter to tell me, critgingly, that my

What the Indian themselves thought, they did not tell us. But on our very first d y ordered dinner at the Black Eagle, hard by and the fare hard and bad. I was young among the monuments, and within an hour The landlord knew him well, and would serve and should rough it. But it was after we had pitched our photographic tent up a tolerable repast. Would I be charitable, and got out our instruments, we became and share what would otherwise be a solitary aware of the presence of a very old man, meal? withered, wrinkled, and bent with weight of Vassili gave me a good dinner; and we years. His hair was scant and gray, his eyes lingered long over our cigars and coffee, rheumy, and his face disfigured by a great chatting of other scenes and old times. Then, muid of cocs that he carried in one cheek, at length, word was brought that the train said, would enable me to claim the Czar's He wore tattered pantaloons of coarse native for Wilms was in sight. cloth made from the fleece of the llama, kept together by thongs, his pongo was old and careless way, "on your road to the Count's with, coaxed, but never accused of anything racced, and the long woollen cap, that was chateau you will pass Staritza yes!" he When I inquired the nature of my offence I nulled low over his forehead, was greasy added, glancing at the open map that lay from use and stiff with dirt. He had an besides me on the table; "of course you will, carthern vessel containing water suspended and change horses there. much longer hero!" And the padre burst gable." "Then I want no guide to conduct me of Travel and Exploration in the Land of the there," said I, laughing, and at once walked answered the Count, smiling, "had been ucros to the garden gate. A neat, snug little arrested the day before you reached Staritza, dwelling was the parsonage, with its white and you found his house in possession of the What good wind, what wind of fortune, has opened the door in answer to my summons, itself was an artful concection, couched in a scanned me narrowly, and, as I thought, with sort of verbal cipher, the key to which a

"Forgive me, noble sir, if I have kept you on the frontier. If ever a man deserved Heichong Peteraburg, Paris, and wherever diplomatists | waiting," said the priest, with as low a bow Siberia-but you are free, Arthur. Come

trius Vassili, though I was more than half black velvet skull-cap, a snoffy and frayed ashamad of my prejudice, for the man was cassock, and dark blue spectacles from behind As francis, almost too ostentationaly so, was which a pair of keen though half-shut eyes polite, genial, and one of those smisble surveyed me with a watchfulness that had persons who are always taking our good in it something faline. The priest's voice, opinion by storm, ag it were, by the graceful too, at once coarse and wheedling, grated on An rendering of some little service or other my ear, though nothing could exceed the Cot Vassili, when I was a raw lad new to the bland urbanity of his reception of mo. I wice Cot Continent, had been kind to me once or over did I repeat the substance of Vassili's Co twice, and I had repaid his good nature by remarks concerning the young corn-dealer Chi taking his part when others spoke swil of at Odessa, and twice, at the old man's rehim in a vague way behind his back; for he quest did I mention every circumstance of

was not popular somehow. There he was, my interview with Demetrius, "his kird and En at any rate, and evidently delighted to see noble patron, as he called him.; then I placed the written slip of paper, on which I gr "By-the-bye!" abruptly put in my old had pencilled the message, in the priest's dequaintance, linking his arm in mine, "I hands, and, declining his offer of refreshhave to congratulate you, have I not? It is ment, took my leave of him. As I left the G true that you are about to marry the beauti- parsonage I thought I heard some whis-

It was true that I was betrethed to Marie postillion the signal to start "if Pope John, H Orloff; indeed I was on my way then to her the good old man, as Vassili called him, be H fother's mansion, at which it had been ar- not as consummate and greasy a humbug ranged that I should be a guest until the as any in Muscovy." Then my thoughts M wedding should take place, according to both reverted to rosy dreams of Marie and the Potersburg. Our engagement had come I only awakened to perceive that my driver v about in this wise. I, Arthur Musgrave, as was proceeding in a leisurely manner that an attache of our legation at Madrid, had was most unusual, for if Russians work

youngest of nations—has an aristocracy that horses, mingling with the clank of steel. We made under pretention rivals the "blue We were on a sandy road, traversing one of We blood" of Spain, and every Muscovite noble those huge pine forests, the sembre gloom of leon called us, a nation of shopkeopers, quite white sand, has occasioned the name of sitting in the pit of the old Haymarket Onera Fortunately for me, however, I was heir to tral provinces of the ancient Muscovy. Very House, during a miscellaneous concert; beside an entailed property, small indeed, but the soon we were overtaken by the hard riders

but already celebrated as a musican and per- fathers were probably unbaptised Tartars; but others were the uniform of gendarmes. then a new instrument, which neither Mr. of Russia are Georgian, Tartar, German, "Pull up! halt, I say!" shouted he who seemed to command; and in an instant my "Secure the foreigner!" was the next order;

and with amazing quickness I was grasped "Resist, and I fire!" growled a Cossack corporal, pressing the muzzle of his pistol to my left temple, while his soldiers dexterously chained my wrists together. Then, shaking

off the stupor of surprise, I found my tongue. There was, I said, evidently some mistake, some confusion of persons. My passport, if they would kindly look for it in the breastpocket of my ulater, would prove me to be Arthur Musgrave, of the British diplomatic service, Junior attaché of H.B.M.'s Legation at Madrid. "Prisoner, you trifle with justice!" said

the commandant sternly, in French; and indeed, when the morocco case was drawn out and opened, it proved to be empty ... My passport and papers were gone, inexplicable to me. As I stared blankly, there was a roor

"Remove the pretended Englishman ordered the colonel; and I was thrust back into the carriage, a soldier on each side of me, and conducted to the town of Torjok, where I was lodged in jail. I do not like, even yet, to recall what I

underwent during the miserable three weeks that I spent in the prison of Torjok. It was not that the cell was narrow, the bed squalid, maddening to be eternally examined and cross-examined by civil magistrates and military functionaries, none of whom would listen to the plain truth, and all of whom tried, by threat, promise, persussion, to wring out of me a confession which as they mercy and a lighter punishment for my Now I think of it," said my bost, in his crime. I was browbeaten, bullied, argued was jeered at. When I adjured my captors to write to the British Embassy, my prayer was treated as an impudent jest. And when I mentioned Count Orleff, the governor of the province, as my future father in law, I really thought the Judge of Instruction

"Only bread and water for the contume cious!" I heard him roar to the jailer as he went out. I thought, between them, that words were few and simple, and suggested they would have driven me mad, and should

> I grew sullen at last, and refused to return any answer to the interrogatories with which they plied me. I began almost to doubt my own identity. It could not be myself, Arthur Musgrave, who was the tenant of this Russian dea, and daily questioned as to my complicity in something extremely subversive of Church and State. Let them knout me, hang me, banish me if they would. I felt as though I were the only same man among a pack of madmen.

a voice one day as my cell door was thrown open, with a clatter of swords and spurs on the stone floor that indicated the arrival of some distinguished personage; "there the desperado is, lord governor!" I looked up. There, in front of the group

"Here is the wretch, your excellency," said

stood, in a rich uniform, the breast of which sparkled with orders, the "excellency" in Sumatra question. The recognition was mutual. "Count Orloff!" "What! Arthur my The Murra dear boy, what terrible error is this?"

And to the scandal of the judge, the jailer, and the rest of them, the governor of the Trio province hurried across the grimy floor to Undine clasp my hands, and to order, in a voice Woodville that brooked no denial or delay, that my | W.E. Glad chains should instantly be taken off.

Thoon Kn

My poor fellow, how you must have John Adam suffered," said the Court feelingly, as he "Certainly," said I, observing his embar- in time, a prime mover in which had been carry his message to the priest, while at the Yangteze same time he purloined my English passport Yung-chin "You'll find the papas in good health, and papers, probably for the sake of escaping, in case of the worst, under my name. "But Pope John, and his son," said I,

bewildered. "The real Pope John, a sad old rogue," walls, its tiny garden full of humble potherbs police. The white-hearded person to whom H. Bremer and hardy flowers, and the sacred pigeons you gave the message, disguised in the June
"Why, it is Musgrave! ce cher Arthur! cooing softly as they sunned themselves upon priest's clothes, was Major Bulow, of the Paul Marie I thought you, monami, to be in Spain still, its red-enved roof. An ill-looking fellow Imperial Gendarmerie; and the message Paradies Such were the words which reached my suspicion, and after some colloquy conducted traitor gave us, and which, but for our miliears as a gloved prisp was suddenly laid me to what I guessed, by the few books and tary precautions, would have led to a revolt Baltio upon my arm, while I was traversing the the many pictured maints on the wall, to be of the Polish regiment at Tver, and a rising Benefactor Tailway platform at Minek - I turned to find the priest's study. Ten minutes elapsed, and of the peasantry in fifty parishes. As it is, Bessie Mon myself confronted by the smiling face of then in came the master of the house, Pope all is safe, and a telegram has just informed Emma me that Vassili himself has been captured Gustav
